

**SILVER CREEK'S CREATIVE CORNER**

*As we work on our Therapeutic Arts Program as well as the Hope Program for those with Dementia, we are happy to share with you what our residents have been busy doing. Every other month we will publish a "Creative Corner" flyer with different successes of our residents. If you have a talent that you'd like to share with us please let us know! We are always looking for new experiences!*

**I WILL ENJOY "AUGUST"**

**I'm wondering what it means**

**To say time flies??**

**It usually means look-out the**

**Snowflakes will soon come by!!**

**But enjoy yourself there is**

**A lot left to do!**

**So don't waste time on just the**

**Mountain dew!!**

**I'm going to say one more time**

**Enjoy yourself it's later**

**Then you think!!**

**So right now I'll wash my hair in the sink!**

**September will quickly go so**

**Let's prepare for winter fun!**

**I'll see you all there on**

**The run!**

**Love & Prayers for Everyone**

**M.P.**

## Silver Creek Manor

### Sunshine Committee

(Residents joining together to help their community)

**Our residents have begun collecting donations to send our troops!  
Our first full box of goodies was packed earlier this week.**

**If you'd like to help us, your donated items can be dropped off at our  
entrance in a special basket.**

**Suggested items to donate: Gum, Beef Jerky, Protein Bars, Playing Cards,  
Sports Cards, Chapstick, Deodorant, Hand Sanitizer**

**A big THANK YOU to all those that have brightened the day of our troops!!**

**Please see Christen Parker-Jones, Social Services for further information.**

#### Sunshine Committee Members:

**Majorie Prenda, Anne Marie Paulhus, Marie Dorsey, Joan Coulombe, Al  
Salvaggio and Vivian Pacheco**

---

**Our HOPE program is well underway with our leisure  
program clusters based on level of function in full formation.**

**In order to build our person centered supplies for these  
programs, we are asking for new plastic shoe box size  
storage containers. These will be used for individual sensory  
items for each resident. Please see Nancy Lowney for more  
information.**
