## From the Administrator.....

*Happy Holiday Everyone,*

*This past year I have spent a lot of time reflecting about friends, family and life in general. When events in our life happen that we can't seem to understand, we turn to our faith for guidance and reassurance. Winter itself doesn't really belong to any one religion or faith. There are about 29 holidays celebrated by major religions around the world from November to January. This is why I believe it is most important to show kindness and compassion to all. Small acts of kindness and giving to the people who touch our lives, such as family and friends, can be done in many different ways. I would like to thank all my staff for their commitment and dedication in making Silver Creek Manor a home for our residents. They work tirelessly to care for our residents. We are truly blessed to have so many caring individuals be part of our Silver Creek Family. I hope everyone has a great holiday season that is filled with happiness and joy.*

*Silver Creek is very busy getting ready for the holidays and has quite a few festivities planned. The Activities department has many fun things scheduled for our residents ~ from cookie baking, to caroling not to mention the partying. In order for proper preparation and enjoyment, please remember to RSVP for the Christmas party and Christmas dinner to Nancy in Activities. .*

*Regards,  
Kim Ciociola, Administrator*
